

eVAQ 0001157 - CORPORATE EXPERIENCE SUMMARY AND REFERENCES – #3**Contact Name: Juan Lopez****Title: Jail Administration****Phone#: 818-548-3139****Email Address: JuLopez@Glendaleca.gov****Project Title and Summary: Glendale Jail System Upgrade**

BSI provided project management and design-build services to deliver a complete replacement of the Jail Control System for the Glendale Police Department. BSI installed Video Surveillance System with 200+ high resolution digital IP Cameras with video and audio storage of 777 days. At Glendale Jail, BSI's technicians were responsible for Video Visitation System Camera Replacement and Systems Integration for all cabling and low voltage infrastructure. BSI worked with technicians and systems engineers to create a comprehensive, integrated solution to meet the Glendale Jail's specific needs.

Scoring:

The reference contact provided will be contacted by the State to obtain responses and to the question below. Points will be awarded based on the reference response rating.

<u>Client Reference Questions</u>
